#### Reception for the Knotts—

On Wednesday evening a reception was given by the members and friends of the M. E. church for the new pastor and family, Joseph Knotts, wife, son and Mrs. Ross, Mrs. Knotts mother. The crowd filled the parlors of the church, and were entertained by speeches and songs. One of the special features of the program, was a solo, "Bubbles," rendered by Miss Lucy Cass, accompanied by Mrs. Sabin. Rev. Drake, on behalf of the Ministerial association, delivered an address of welcome. At the close of the program refreshments were served.

## BIG RALLY TONIGHT IN PREPARATION FOR GAME

In anticipation of Saturday's clash between the Ashland and Grants Pass high school football teams, students of the local school will hold a big rally tonight.

Freshmen have been busily gathering boxes and crates donated by public spirited business men and have a large pyre erected on the high school field. The public is invited to attend the rally, at which the coach will announce Saturday's line-up, and the team will make a brief appearance.

Each class is preparing a "rooting stunt" of some kind and will compete tonight for the honor of putting its "stunt" on the football field between halves of the game.

The Grants Pass team has been practicing steadily, but will stick entirely to straight football in this first game. The line-up will be fairly heavy but the team as a whole is yet very slow and cumbersome.

If fighting spirit, however, can make up for lack of experience, Grants Pass should stand a good show against the fast aggregation from up the valley. Ashland last week defeated the strong Klamath Falls team.

The game will begin at 3:15 p. m. on the high school grounds. Officials will be Fred T. Collins of Grants Pass and Lynn Mowett, of Ashland.

A jailbreak occurred in this city last week, when Marshal Umphlette had incarcerated a youth who gave the name of John Love and claimed to have hailed from Grants Pass, in our city's battle for holding up and taking some groceries from Geo. Pete. Later when the marshal went to the jail to feed the lad, the official found the bird had flown. The locks had been sawed off and the doors were open. A hack saw had been used to cut the staples off and open the door. The work was done by local talent, and while the proof is lacking, yet it is pretty well known who did the job.—Glendale News.
